To the Selectboard:

I am submitting my name for consideration in the appointment of a new member of the Marshfield Conservation Commission.

I live on Maple Hill Road in Marshfield (with a Plainfield mailing address). I have lived here since September, 2014.

In my previous hometown of Charlotte, Vermont, I volunteered, as part of the Transition Town Charlotte organization, to conduct home energy visits in my neighbors' homes to encourage people to get energy audits. I wrote a column on birds and wildlife for the Charlotte News. I volunteered for the Vermont Institute of Natural Science to do a 25-year bird census for their Breeding Bird Atlas.

Please consider me for appointment to the Marshfield Conservation Commission. Thank you.
