

Marshfield Energy and Climate Change Committee
Plainfield Energy Coordinator
Minute of 3/2/15 Meeting

7PM Old Schoolhouse Common Dining room

Attending: Dan Chodorkoff, Anne Miller, Wes Cate, Rich Phillips, Nick Seifert, Lawrence Black, Joel Trupin, John Morris, Ed Hutchinson

Convene: 7:05 PM

Adjourn: 7:50 PM

Business:

- No public comment
- Minutes from 2/9/15 meeting approved
- Discussion about OSC trackers.
 - Comparison of production to another local tracker shows they are not very far off, despite the OSC trackers being tabled, and not tracking the sun well. Rich and Bobbi Brimblecombe are working with Rich Nichol to get the trackers corrected
- Solar system pictures for town meeting
 - Rich collected quite a few pictures of installations. Putting on a bulletin board for town meeting.
- Discussed pamphlets for town meeting
 - solar handout
 - last update to Field Notes (heat pumps, zero energy mobile homes, etc)
 - Reasons not to do an energy audit
- Twinfield solar update
 - Moving along, but still slow
 - the "model agreement" is coming along. Rich has a draft.
 - Rich and John are working on the spreadsheets for several options---numbers for savings aren't too encouraging
 - meeting to be set in the next couple of weeks
- brief discussion of weatherization
- Plainfield updates
 - HEV recently, and review of some old work.
 - Town hall coming along well
