

MEMORANDUM OF UNDERSTANDING

Amendment to Existing MOU for Uncle Maple Trail

This proposal is an amendment to the existing Memorandum of Understanding is between the Riders in Plainfield-Marshfield (the Club) and the Town of Marshfield, Vermont, (the Town) covering the design, construction, and maintenance of the Uncle Maple Trail in the Town of Marshfield's Stranahan Town Forest property.

Terms of Agreement

The following are agreed to by the Club and Town:

1) The Trail will take a revised route to connect to the Thompson Road.

- a. The existing approved route of the second phase of construction for season 2016 will be revised to cross the open field and connect with the Moonfield Trail before connecting with the Thompson Road to avoid a wet area found on the original proposed route.

Map Legend: Light blue line shows existing approved route and new suggested route across the open field to connect to the Moon Field Trail, which would replace the original proposed route along the corner of the field and connecting to Thompson Road (a very wet area).
