Ms. Bobbi Brimblecomb
Marshfield Town Clerk
122 School Street Room 1
Marshfield, VT 05658

Dear Ms. Brimblecomb:

Will the Town of Marshfield Select board kindly review the attached petition for the location of 2 poles, 3 anchors and wires within the road right of way on Lower Depot Road. These poles are to be installed to provide electrical service to the home being of Catherine and Josh Sainz. The new poles will be located in the existing road right of way limits.

I met on site with Road Commissioner Dan Tatro who approved the locations for poles and anchors. In addition, it was agreed that GMP would use only a licensed and insured tree contractor for the removal of trees and/or branches with the ROW. Brush will be chipped. Wood will be left for adjoining property owners.

One copy of the petition should be returned to us with your approval, disapproval, or comments noted thereon, and the other copy may be retained for your files. Recording of the petition is not necessary. A self addressed stamped envelope has been enclosed for your convenience.

Please call me if anything about this is not clear. I may be reached at 229-7933 or 355-1964.

Yours very truly,

Starr Parnigoni

**TO THE SELECTBOARD OF THE TOWN OF
Marshfield, VERMONT**

Thursday, January 7, 2016

Comes the Green Mountain Power Corporation, your petitioner, and respectfully represents that in order to furnish adequate service to its patrons it is necessary to locate poles, guys and wires within the highway limits of Lower Depot Road, as shown on the attached sketch. This will allow GMP to provide electrical service to the property of Sainz.

The Company further represents that such work will be done in a manner safe for public travel and subject to the rules thereof. Also, that it is not desirable to make such locations otherwise than shown on the attached plan.

WHEREFORE, your petitioner requests permission from the Selectboard to locate poles, guys and wires as aforesaid.
