Town Clerk's Office
149 Main Street, PO Box 217
Plainfield, VT 05667

To whom it may concern:

For the past several months, I frequent Plainfield/Marshfield for my job. I noticed about 5 months ago some items of concern. To get to this property, you go up Maple Hill, hang your first right, go all the way down the road until you can take your first left and cross over the bridge. Immediately to your right there is a driveway that has been put in, there is no mailbox. You know you are in the right place as across the street there is a property that is the junkiest mess you will ever see! Anyway, there are a group of person(s) that are living in what I can assume are home-made campers. They look horrendous. They are being lived in currently. I have three concerns:

- 1.) I'm greatly concerned a child is living in these conditions. This should be looked into!!
- 2.) How are the individual(s) removing their waste? Hopefully it isn't being dumped in the river.
- 3.) Lastly, someone has been removing trees right along the side of the river. I'm not sure that is allowed...

The best I can tell, someone must have given these individual(s) the ability to do this on their land. I know times are tough for some people, but someone of authority needs to look into this for child welfare purposes and environmental purposes to be safe! I hope there are no issues but it needs to be looked into. In addition to this letter being sent to the Town of Marshfield and Plainfield, a copy of this letter is also being sent to the appropriate state agency. I trust this matter will be looked into.

Thank you.
