---

Saturday, May 3, 2014, 7:00 a.m, Marshfield Town Garage (Road Tour)

---

Present: Selectboard members John Warshow, Chris Martin, and Andy Perchlik; Road Foreman Dan Tetreault

At 7:00 a.m. the meeting was called to order by Chair Chris Martin. The Selectboard and Road Crew drove around town to view road and bridge conditions and possible ordinance violations. They made the following observations:

**SASS Ave:** The Duke property still needs work. They will check again before June. They looked at the bridge. Dan will look at it when the river is lower.

**Patty's Crossing:** The bridge looks OK.

**Onion River Road:** Dan will get quotes to fix the abutment on the down river side.

**Nasmith Brook Road:** The bridge at Route 2 looks good – the State is all wet. Dan has some work to do at bridge 24. The Road Crew can take care of it.

**Cassidy Road:** Dan mentioned some work to be done at the bridge.

**Holm Salvage:** The Board stopped to see Mr. Holm but he wasn't around.

**Maple Hill:** Dan is going to speak with Gordy Holt about a drainage ditch.

**Hollister Hill:** The Board will send a letter to Cresswell Codling about illegal burning.

**Beaver Meadow Road:** John will call VTrans District 7 about the dump site on Russell Codling's property where the material is coming into the road.

**Tibbetts Road:** The Board looked at the culvert. They will talk with Ann Smith of the Friends of the Winooski about this project as there should be a better way to accomplish the goal. John suggested a very small fish ladder.

**Cree Farm Road:** The Board met with Avi Datner. He will take care of the zoning violation.

The meeting adjourned at 10:50 a.m.

Respectfully submitted,  
Christopher Martin, Chair
