

SELECTBOARD MEETING MINUTES

Friday, June 21, 2019, 4:00 p.m, New Discovery Cemetery

Present: Selectboard members Richard Baker and Laurie Colgan; Town Clerk Bobbi Brimblecombe; Cemetery Sexton Joe Mangan; Michael Baril (Marshfield Tree Service)

The Board met at the cemetery to view the condition of the trees in the cemetery. The trees are all mature and some are showing signs of dying. One large limb came down recently but did not hit any stones or the fence. The Board will ask the Road Crew if they can remove it.

The Board, Sexton, and Mike Baril discussed options for removing some or all of the trees, what the benefits would be to remove them all, and how the work could be done. The location of some of the trees would require a lift, and access would have to be from adjoining land for some trees. They discussed the possibility of doing the removal in the winter when the ground is frozen, to lessen the damage to the grounds.

Laurie will ask the adjoining landowners if they would allow the tree service to use their land for access, and whether they would want the wood; otherwise Mike would have to hire someone to haul it away.

Mike will get quotes and bring them to the Selectboard.

The meeting adjourned at 4:50 p.m.

Respectfully submitted,
Bobbi Brimblecombe, Town Clerk
