

## **Marshfield Planning Commission Minutes**

**January 18, 2018**

**Present:** Melissa Seifert (chair), Bob Light, Jonathan Williams, and also Ann Williams, Nick Seifert, and Annie Reed presenting the energy commission

Eric Vorwald presented Act 174 and explained it so that the commissions would have a better understanding of how Act 174 needs to be incorporated into the town plan and the energy plan. The main goal is to reduce greenhouse gases and increase the generation of energy from renewable resources. Act 174 is a set of municipal energy planning standards. CVRPC will be able to provide maps of areas that have prime or desirable resources such as good solar or wind areas. There was discussion of various ways to incorporate Act 174 into the town plan and the logistics involved.

**Minutes:** the minutes from December 14<sup>th</sup>, 2017 and January 4<sup>th</sup> 2018 were approved.

**Zoning updates:** None
