

**SELECTBOARD SPECIAL MEETING MINUTES**

---

Tuesday, May 22, 2018, 8:00 a.m, Old Schoolhouse Common

---

Present: Selectboard members Richard Baker, Laurie Colgan and Christopher Martin; Town Clerk Bobbi Brimblecombe;

At 8:05 a.m. the meeting was called to order by Chair Chris Martin

**Changes or additions to the agenda:** Leibold cows

**Tree Removal:** The Board discussed the contract for removal of leaning trees on Taylor Farm Road. One of the trees dropped lower during the later wind storm so the road crew was able to cut it. The Board called and spoke with Mike Baril of Marshfield Tree Service & Logging to confirm the price for the remaining trees. The Board signed a revised contract, with a price not to exceed \$550.

Rich suggested that the town should have a contract with a tree service to be on call for emergency work, to avoid the time necessary to do bids and contracts after a storm. Bobbi will check with FEMA to see if this is acceptable, and if it is, she will advertise for bids.

**Catering Permit:** The Board approved a catering permit for Positive Pie to cater a fundraising event at the Onion River Campground on June 2<sup>nd</sup>.

**Road Foreman:** Dan Tetreault notified the Selectboard several weeks ago that he is retiring from the Road Foreman position. The Board continued discussions of how to fill the position.

**Cows:** The Board has received complaints about cattle belonging to Philip Leibold being in Route 2 and on Albert St. Cyr’s property. Chris and Laurie explained to Rich that the town has complaints about these cattle going back decades. The State Police were called last week when the cattle were in the road. The Town has been unable to solve the issue. Rich will write a letter to the Department of Agriculture, asking for their help.

The meeting adjourned at 9:10 a.m.

Respectfully submitted,  
Bobbi Brimblecombe, Town Clerk
